Subject: Notice of File Closure and Release of Reclamation Surety, Uintah Basin Resources, D Tract Oil Sand Mine, S/047/0068, Task #6182, Uintah County, Utah

Dear Mr. Allred:

The D Tract mine, file number S/047/0068, located in Uintah County, Utah, will now be closed and the file retired. On September 16, 2014, a site inspection was performed and it was determined that the site has satisfactorily been reclaimed and can be fully released.

We have written to Zions Bank authorizing them to cancel and release the \$14,500 certificate of deposit plus any accrued interest they are holding for this project. In addition, we are returning your original Reclamation Contract to you for your disposal or records.

You are hereby released by the Division from further reclamation responsibilities at this site. If you wish to conduct any future mining or exploration related activity in this area, you will need to submit a new Notice to the Division and other appropriate agency(s), and provide reclamation surety prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5261 or April Abate at 801-538-5214. Thank you for your time and consideration in completing the required reclamation on this project.

Sincerely,

Paul B. Baker
Minerals Program Manager
